

60HZ Iron Wire Bending Machine Butt Welding 2D Full Automatic Box

Basic Information

- Place of Origin:
- Brand Name:
- Certification:
- Model Number:
- Minimum Order Quantity:
- Price:
- Packaging Details:
- Delivery Time:
- Supply Ability:
- CE J2-6 1 set Negotiable Export safety wooden case 5-10 days or negotiation 50 Set/Sets per Month

Bending + Butt Welding

Fully Automatic

Guangdong, China

Jin Hongxiang

Product Specification

- Product Name:
- Machine Type:
- Core Components:
- Control System:
- Number Axes:

• Input Power:

• Port:

- Wire Delivery Accuracy:
- Highlight:
- **CNC** Machining Servo + Spring Machine System + Precision Control Current Electric Box 4

Spring Machine System, Precision Servo,

- ±0.1mm
 - 380V,50/60HZ
 - Shenzhen, China
 - 60HZ Iron Wire Bending Machine, Iron Wire Bending Machine Butt Welding, Full Automatic Box Bending Machine

Product Description

2D bending machine, full-automatic box butt welding machine

Alias:

Bending machine, bending and butt welding machine, bending frame + butt welding machine, 2D bending machine, 2D folding frame machine,

Product Description

All plane forming and bending shapes that need to be butted can be fully automated by this machine.

*Features

Bent frame + butt welding, it is a molding machine, can bend frame, can bend other 2D shape, all molding machine function has.

It can also be butt welded. For the products that need interface, it can directly form butt welding, which is more efficient, laborsaving and more humanized.

Taiwan water-cooled transformer, with temperature control device, is more durable and better welded.

Welding transformer pure copper Water circulation cooling High performance silicon steel

Technical parameter

widely used

(1) Daily hardware: kitchen display rack, shelf, egg laying device, cabinet basket, refrigerator rack, toilet rack.

(2) Wire craft products, lighting molding products, fishing gear parts products, wine rack, family fruit tray, garden flower rack, Christmas wire gifts.

(3) All kinds of cage processing: bird cage, dog cage, pet cage, breeding cage, rat cage, etc. Hanger, shoe hanger, curtain hook, shelf hook, display hook, etc
